REFLECTIONS

While assisting with fertilizing the new church lot expansion, Isaac Swift thought he saw something interesting in the dirt at his feet. When he picked it up, this is what he found - an Indian head penny from 1890! What a find! Imagine what the church and surrounding area looked like when this coin was lost.

SIX TINY STORIES WITH GREAT MESSAGES

{1} Once all the villagers decided to pray for rain. On the day of prayer all the people gathered, but only one boy came with an umbrella. **

That's FAITH**

{2} When you throw a baby in the air, she laughs because she knows you will catch her. **

That's TRUST**

{3} Every night we go to bed, without any assurance of being alive the next morning but still we set the alarms to wake us up. **

That's HOPE**

{4} We plan big things for tomorrow in spite of zero knowledge of the future. **

That's CONFIDENCE**

{5} We see the world suffering, but still we get married and have children. **

That's LOVE**

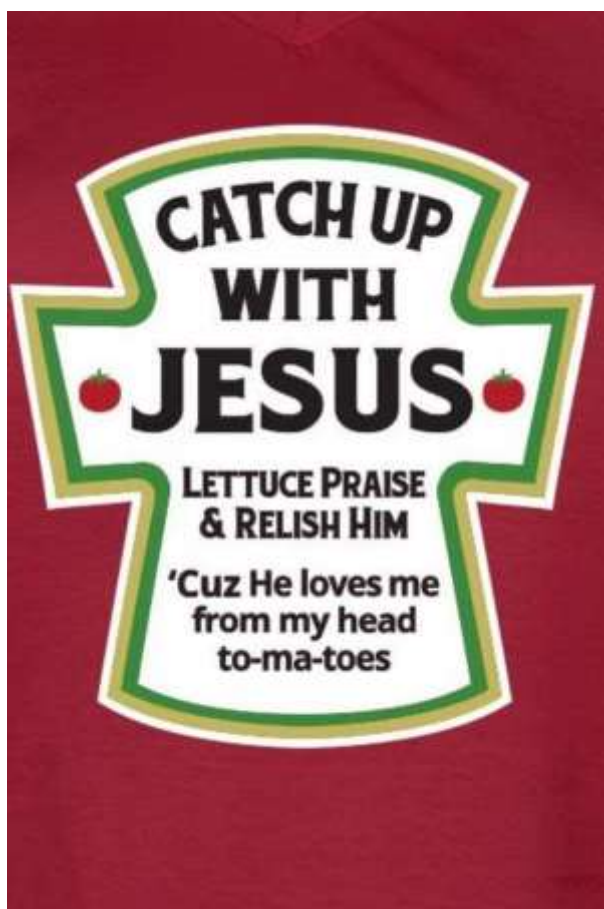

{6} On an old man's shirt was written a sentence 'I am not 90 years old.... I am sweet 16 with 74 years experience' **

That's ATTITUDE**

Have a good week and live your life like the six tiny stories!

May you always have love to share, health to spare & friends who care...

GOD PARTING THE SKY

Photo taken in Alabama ~ We have a God, and he's watching over us. Would you look at this picture? It reminds me of that song 'He's got the whole world in his hands.' He is definitely in control!

Pastor's Notes

Landin Has Landed!

As many of you know we have been anxiously awaiting the arrival of our most recent grandchild. As of 8:01 am, Monday, July 18th the wait is over. Landin has landed: Landin Jeffrey Taylor, 7 lbs., 8 oz., born to Keith and Michelle and his big sister, Laylah, this child will be greatly loved by many and his birth is a reminder to all of us of just how precious each life is. Landin is precious not just because he is our grandson but is precious because He comes to us as a gift from God, the Creator and giver of all life and from Jesus Christ our Lord and Savior.

It is evident in our culture and our world that we have lost sight of the preciousness of every life because so many have lost sight of the sovereignty of God as Creator, giver and sustainer of life, and as the Redeemer from the curse of sin because of which suffering and death entered this world when Adam and Eve believed the devil's lie that God did not know best, they did.

The lack of respect for our Creator and the exaltation of self has led to such events that we have witnessed in St. Paul, Baton Rouge, and Dallas, TX. It was only about a week ago that five Dallas police officers were executed in the name of justice for blacks in our country and again this past weekend three officers were executed and others seriously injured in the name of justice for blacks. The sister of one of the slain police officers (a black officer by the way) in Baton Rouge declared, *"It's coming to the point, where no lives matter."*

That's why the birth of Landin represents to me a timely reminder of our need to return to God and acknowledge that in His sight *"every life matters"* because He is intimately involved in the creation and formation of every child that comes from the womb of a woman. Please take note of the words from Psalm 139 as the psalmist stands in awe of the Creator and His role in shaping and forming each life.

*For you created my inmost being;
you knit me together in my mother's womb.
14 I praise you because I am fearfully and wonderfully made;
your works are wonderful,
I know that full well.
15 My frame was not hidden from you
when I was made in the secret place,
when I was woven together in the depths of the earth.*

*¹⁶ Your eyes saw my unformed body;
all the days ordained for me were written in your book
before one of them came to be.*

*¹⁷ How precious to me are your thoughts,^[a] God!
How vast is the sum of them!*

*¹⁸ Were I to count them,
they would outnumber the grains of sand—
when I awake, I am still with you.*

Without such an appreciation for God and the preciousness of each and every life, any life is expendable, any life is in jeopardy, even yours. Without such an appreciation for God and the preciousness of every life abortion is acceptable, children and adults with disabilities are discardable, discrimination is acceptable, genocide is justifiable. This morning, the Taylor family is celebrating the arrival of Landin Jeffrey Taylor and at the same we are celebrating the preciousness of every life.

The words of this children's chorus carry with them a very profound message about the preciousness of every life to God the Creator, the giver and sustainer of all things, and the Lord and Savior, the Lord Jesus Christ.

*Jesus loves the little children
All the children of the world
Red, brown, yellow
Black and white
They are precious in His sight.
Jesus loves the little children
Of the world.*

- Church/grounds assessment was pushed back to our next council meeting as there was a conflict with choir.

New Business:

- It was brought to the attention of one of the council that there are some communion cup holders missing on the pews. Gene volunteered to see that they are replaced.

- It was also brought to the attention of the council that there have been several cases in which visitors could not find our church. A suggestion was made to have a couple more “blue” signs added along the highways/streets. The cost to have these is expensive. Most people have some sort of GPS and the council verified that the address of the church is on the bulletin and will add our web address which offers a map on it.

Task list for May:

- Update service times in newspapers – Karen K. will take care of.
- Change church sign hours – Dave S. will take care of.
- Honor graduates – Sunday, June 12.

There was one suggestion in the box – Could the lettering in the sign get replaced? It is starting to fall off. *Pastor Bob picked up new vinyl lettering for the sign and it will be put up soon.*

Being that the Ice Cream Social is on June 9th, our next council meeting will be moved up to Tuesday May 31st with a start time of 6:00 to assess church/grounds.

The meeting was closed with the Lord’s Prayer.

Respectfully submitted,
Pam Martin /Secretary

Sunday School Happenings

Grades 3-5

We realized that our Bible stories are like riding a roller coaster.... happy and then sad, up and then down. Poor Abraham being 100 and finally a son but then faith was tested. Joseph - such sadness and betrayal but then forgave his family. Now the new king is jealous of the Israelites and ordered the killing of every first born son but then the story of Moses!

We figured out that God meant all of it for good and remained faithful. God is always with us - especially when we are going through a tough time!

Practice makes perfect!

Making Mother's Day gifts

On the last day of Sunday school, the kids participated in the theme of “Following Jesus”. Following Jesus means to serve others, so the Sunday school kids led and were involved as much as possible in the church service. The kids designed the church program, handed them out, chose the hymns, read scripture, sang, made placemats and provided and served a picnic lunch for the congregation after the service.

We are in the process of preparing for Vacation Bible School- Cave Quest- “Following Jesus... The Light of the World”, which is July 31 through August 4. Sunday School will begin again on September 11th. We are always looking for teachers and substitutes. If you have an interest working with kids and a fun-loving team, let Jodi, Andrea, Mary T or Brenda know.

There will also be a VBS slide show presentation on September 18th during the church service.

St John's Youth Page

What we've been doing:

- May 4th Gertens flowers and plants will be delivered. Youth group meet at Swifts at 6PM for dinner and then we loaded flowers.
- May 6-7th Progressive Dinner and Lock-in. We started at Alsebens for appetizers. Then we went to Borgs where we made our own cabobs. We went bowling before going to church where we had dessert, played table tennis and were well entertained by the musical/singing abilities of many of our youth members.

Rock picking - getting ready to plant the new grass.

Painting decorations and characters for VBS.

Looking Ahead:

- Week of August 8th we are trying to schedule some river activities. Watch for more information coming by text.
- September 7th our regular monthly meetings will resume at 7PM. We will discuss Bible study options at that time.

*If you are a 6th through 12th grader we would love to have you join us at any youth group activities. I know there are some 6th graders out there that I don't have contact info for. We often send group texts to keep everyone informed so if you have a cell phone (of your own, a parents cell number or both) and you would like to receive Youth Group information please let Roxanne know.

For more information about the youth group contact: Robyn Field at 320-582-0356 or Roxanne Sladek at 320-455-7218.

ATHC is in partnership with the Recycling Association of Minnesota to recycle Holiday lights. Working and non working lights are accepted. Recycling your old lights provides employment opportunities for individuals with disabilities at ATHC. The light bulbs will be removed from the wire strands and then the wire will be sold to a local recycler. Thank you for helping ATHC promote this new recycling effort. There is a box in the entrance that you can put the lights in. Any questions talk to Elaine Carrigan.
