## REFLECTIONS

### A Child's View of Thunderstorms

A little girl walked to and from school daily. Though the weather that morning was questionable and clouds were forming, she made her daily trek to school. As the afternoon progressed, the winds whipped up, along with lightning.

The mother of the little girl felt concerned that her daughter would be frightened as she walked home from school. She also feared the electrical storm might harm her child. Full of concern, the mother got into her car and quickly drove along the route to her child's school. As she did, she saw her little girl walking along.

At each flash of lightning, the child would stop, look up, and smile. More lightning followed quickly and with each, the little girl would look at the streak of light and smile.

When the mother drew up beside the child, she lowered the window and called, "What are you doing?"

The child answered, "I am trying to look pretty because God keeps taking my picture."

**May God bless you today and every day as you face the storms that come your way!**

## Pastor's Notes

*<sup>42</sup> They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer. <sup>43</sup> Everyone was filled with awe at the many wonders and signs performed by the apostles. <sup>44</sup> All the believers were together and had everything in common. <sup>45</sup> They sold property and possessions to give to anyone who had need. <sup>46</sup> Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, <sup>47</sup> praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.*  
*Acts 2:42-47*

This passage from Acts chapter 2, reminds us of the *shared nature* of the life that believers in the early church experienced. Their life centered on the word of God, taught and preached, on worship, on fellowship, on sharing with one another as anyone had need, and serving others together.

One of the examples of this kind of *shared life* at St. John's, is the Ice Cream Social. For years, I have stood amazed at how virtually everyone in the church is involved from the youngest to the oldest. Outwardly, this is a fundraising event which attracts some 400 people each year, but more than that it is an expression of who we are as the body of Christ here at St. John's: servants, working together for the glory of God!

In the next weeks, be on the alert as to how you can serve make this year's Ice Cream Social the best one ever. And it will be because you have taken part in this glorious life we share as members of Christ's body.
