## ***Pastor Notes:***

### **MONTHLY PRAYER MEETING**

**Beginning April 26th at 7PM and continuing monthly thereafter on dates to be established there will be a Prayer Meeting which combines music and prayer. Usually we will have 5 pieces of music - many through music videos, some with organ/piano leadership later on. The music (usually about 5 minutes) will be followed by prayer focused upon a given topic.**

**The prayer will occur in assembled small groups of 5 to a dozen people. The prayer leader will begin the prayer topic for that prayer segment. Others within their small group who want to pray aloud may do so. It is assumed that many will choose to pray silently within their small group. After about 5 minutes of prayer we will regather to sing with the second video/music. The lyrics for all the videos will be projected on the screen. After that song we will again gather for more prayer focused on the second general prayer topic. The small group prayer leader will begin praying out loud; the others in the group may pray aloud or silently.**

**Most Prayer Meetings will have 5 songs which will last about 5 minutes, with the prayer topic lasting about 5 minutes each. It is expected that many people who come will be praying silently while some will pray aloud. The Prayer Meeting will conclude with brief remarks by the Pastor.**

**Corporate prayer has always been a central element for gathered Christians. Indeed the first church in Jerusalem focused its worship life, according to Acts 2:42, around "devotion to the Apostles teaching and fellowship, to the breaking of bread and the prayers".**

**Praying churches are generally healthy churches. The Lord wants to hear our prayers be they long or short, loud or quiet, focused or general. Our individual and collective obedience is in part fulfilled by our individual and corporate prayers.**

**Come, let us pray together.**
